Ladies and gentlemen  
Introducing The Chocolate Starfish and the Hot Dog-Flavored Water  
Bring it on  
Get the fuck up  
Yeah  
Check one, two  
Listen up, listen up, here we go

It's a fucked up world a fucked up place  
Everybody's judged by their fucked up face  
Fucked up dreams fucked up life  
A fucked up kid with a fucked up knife  
Fucked up moms and fucked up dads  
A fucked up cop with a fucked up badge  
Fucked up job with fucked up pay  
And a fucked up boss is a fucked up day  
Fucked up press and fucked up lies  
While lethal's in the back with fucked up eyes

Hey, it's on  
Everybody knows it's on  
Hey, it's on  
Everybody knows it's on

Ain't it a shame that you can't say fuck

Fuck's just a word and it's all fucked up  
Like a fucked up punk with a fucked up mouth  
A Nine-Inch Nail - get knocked the fuck out  
Fucked up aids from fucked up sex  
Fake-assed titties on a fucked up chest  
We're all fucked up so, what cha wanna do?  
With fucked up me and fucked up you

You wanna fuck me like an animal  
You like to burn me on the inside  
You like to think that i'm a perfect drug  
Just know that nothing you do  
Will bring you closer to me

Ain't life a bitch a fucked up ditch  
A fucked up sore with a fucked up stitch  
A fucked up head is a fucked up shame  
Swingin' on my nuts it's a fucked up game  
Jealously thrilling up a fucked mind  
It's real fucked up like a fucked up crime  
If I say fuck two more times  
That's 46 fucks in this fucked up rhyme

Hey, it's on  
Everybody knows it's on  
Hey, it's on  
Everybody knows it's on

You wanna fuck me like an animal

You like to burn me from the inside  
You like to think that i'm a perfect drug  
Just know that nothing you do  
Will bring you closer to me

You can't bring me down  
I don't think so, and also  
You better check yourself  
Before you wreck yourself

Kiss my starfish my,  
Chocolate starfish, punk  
Kiss my starfish my,  
Chocolate starfish

You want to fuck me like an animal  
You want to burn me from the inside  
You like to think that i'm a perfect drug  
Just know that nothing you do  
Will bring you closer to me
